

# RAS AL KHAIMAH FREE TRADE ZONE

## THE GATEWAY TO FAST-GROWING GLOBAL MARKETS

Ras Al Khaimah (RAK) is one of the seven emirates which comprise the United Arab Emirates (UAE), along with Abu Dhabi and Dubai. RAK has earned a reputation as a business-friendly, world-class investment environment. The cost of living and doing business in RAK is 25 to 50 per cent lower than the UAE average, allowing companies to maximise their return on investment.

RAK has three free zones, including the Ras Al Khaimah Free Trade Zone (RAK FTZ), the investment destination of choice for more than 8,000 companies from over 100 countries, representing more than 50 industry sectors.

Less than an hour's drive from Dubai, RAK FTZ furnishes its clients with a completely tax-free environment, 100 per cent foreign ownership, fast-track visas, freedom to source labour and materials globally, and ongoing business support services. Its strategic geographical location provides companies with easy access to fast-growing markets across Europe, North Africa, the Middle East and South Asia.

## Looking to Set Up Your Business in the United Arab Emirates?

Setting up a Business in RAK FTZ is quick and easy. It provides everything an investor needs to set up operations, including licence, visas and company registration, along with ready-made facilities. Affordable packages start at just over USD 4,000, with cost-effective lease rates.
